MEDICARE FINANCIAL AGREEMENT

Thank you for choosing Fixing Feet, PLLC. We welcome you and are committed to providing quality care.

Please carefully read the following statement of our financial policy prior to treatment. You will be given an opportunity to speak with one of our staff if you have any questions.

This office accepts Medicare assignment. Medicare will pay our office directly. We will receive 80% of the allowed amount, minus your \$147.00 yearly deductible. Medicare regulations require us to bill and attempt to collect any amounts credited towards your deductible and/or coinsurance (20%).

Medicare determines what we will be allowed for each service. No matter what is listed as our charge, we will receive no more than the Medicare payment, plus your payment of the remaining 20% and any amounts credited towards your deductible. Patients are responsible for payment in full of any supplies or services not covered by Medicare.

Please note that Medicare identifies certain nail treatments, skin treatments, cast bandages and wound dressings as "surgical care". Services that Medicare designates as "surgical" do not necessarily have to require an operation.

We bill all secondary insurances. If you do not have supplemental coverage, we will require that your 20% co-insurance, and any remaining deductible be paid at the time of service. Any non-covered supplies or services must also be paid at the time of service, unless other arrangements are made in advance.

In the event that, after Medicare and any supplemental insurance payments have been made, and your account is left with a balance, that balance will be due from you within thirty (30) days. Statements will be sent out on a monthly basis. If your account is not paid in full within sixty (60) days, interest may accrue at a monthly rate of 1.5%. There will also be a \$25 charge for any returned checks.

If you have any questions regarding the above information or any uncertainty regarding your insurance coverage, please do not hesitate to ask. We are here to help you.

My Signature below confirms that I have read the above statement regarding the financial policy and agree to abide by the contents thereof.

NO SHOW POLICY

In order to provide the best possible service and availability to our patients, it is our policy to charge \$25.00 for any appointments that are not kept and were not cancelled with at least 24 hour notice. Please call us as early as possible if you need to cancel or reschedule your appointment so we can offer that time to another patient. As a courtesy reminder calls are placed 1-2 business days prior to your appointment, but it is still the patient's responsibility to remember their appointment.

I have been notified of the office No Show Policy and I agree to be personally responsible for payment of the No-Show Fee under the terms outlined above. No Show Fees cannot and will not be billed to Medicare or your insurance carrier.
